

WHAT THEY'RE SAYING:

"There are many benefits for local agency personnel for participating in CalAPA technical committees. We discuss current projects, specification revisions and many issues that arise on a state, county and city level. The wealth of knowledge and experience in the room is impressive."

— MARGIE VALDEZ,
Contra Costa County
Public Works Dept.

The California Asphalt Pavement Association presents:

REGIONAL TECHNICAL COMMITTEE MEETINGS

They're fun, free and filled with loads of valuable technical information: CalAPA members and public agency representatives are invited to participate in our Regional Technical Committee meetings

So much is changing these days in the world of asphalt pavements. What you don't know could cost you! Our Regional Technical Committee meetings are fun, interactive and packed with the kind of useful information you can start putting to good use right away. Learn from your colleagues at other agencies, contractors, suppliers, researchers and other professionals who contribute their expertise on asphalt pavements to the meetings. Each Regional Technical Committee meeting is co-chaired by an industry representative and an agency representative, and each group sets the agenda.

Testing equipment demonstration at a recent meeting

Who should attend? CalAPA members* and public agency representatives.

WHEN:

DATES & TIMES VARY

Consult the calendar section of the CalAPA "Asphalt Insider" newsletter, or ask to be added to the meeting notification list for the Technical Committee meeting near you.

WHERE:

Various locations throughout California: Central Coast, Central Valley, High Desert, Los Angeles, Sacramento, San Diego, San Francisco Bay Area. Call (916) 791-5044 for details.

COST:

FREE

* Industry attendees to CalAPA Regional Technical Committee meetings must be current CalAPA members in good standing or a guest of a CalAPA member. The statewide CalAPA Technical Advisory Committee, which reports to the CalAPA Board of Directors, is responsible for overseeing the content of the meetings and is a resource to the various Regional Technical Committees. If you have any questions, please feel free to contact CalAPA at 916-791-5044 or via E-mail at: info@calapa.net .
