

BIOGRAPHY: JACKIE HENRY

Jackie Henry is the Member Services Coordinator for the California Asphalt Pavement Association, a position she has held since January of 2022. In that capacity, she is involved in all facets of member engagement, including responding to member requests, assisting with member events, coordinating the delivery of technical training classes, updating the member database and on-line and print membership directory, and other administrative duties in support of the association.

Prior to joining CalAPA, Henry was a longtime employee and supervisor with CalAPA member company Valero Energy Corp., the largest independent petroleum refiner in the world, with a large presence in California. She started with Valero as a laboratory file clerk in 2003 and later became an administrative assistant to the laboratory team. Over the years she received numerous promotions, including to the positions of Operations Associate, Human Resources Analyst, Human Resources Advisory and Sales and Marketing Supervisor.

Prior to working at Valero, she worked for a number of private and federal entities: Target Logistics Services a freight forwarding company, responsible for shipping its customer's products all over the United States and overseas, as a Tracking and Tracing Specialist; McDonald Douglas Aircraft Company as an Administrative Assistant for the C-17 project in Long Beach; The U.S. Postal Service as a Machine Sorting Operator in Los Angeles; and as a file clerk for the Automobile Club of Southern California in Los Angeles.

She has also operated a catering business specializing in Jamaican food, which has been prominently featured at jazz and street festivals in Northern and Southern California.

Henry holds an Associate of Arts Degree in psychology from Cerritos Community College in Norwalk, Calif., and a Bachelor of Arts in Psychology from California State University, Long Beach. She also holds a Master's Degree in Business Administration from the University of Phoenix. She currently resides in Perris, Calif.
